

The Friends and Family Test

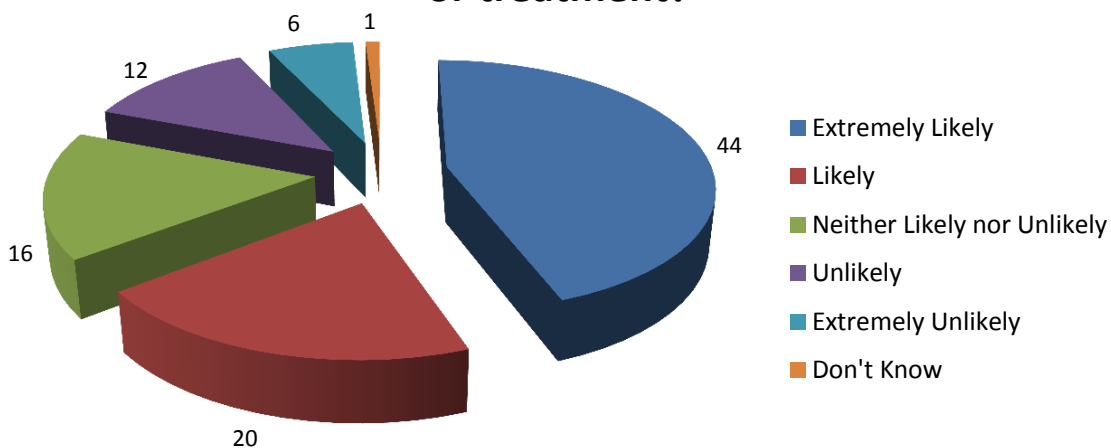

Lion Health - Friends and Family Test Results - June 2018

Total Results: 99

(Data collected via Practice Website)

How likely are you to recommend Lion Health to friends and family if they needed similar care or treatment?

Lovely airy and light building. Doctors, nurses and reception all friendly and approachable

I like the new building and that late appointments are available

Friendly and helpful receptionists, clean and bright surgery, short waiting times, excellent doctors

Professional treatment and very clean and modern facilities

Could be improved with clearer announcements re room calls

Queue management for reception - often blocks entrance

Excellent building, all under one roof. Well done Lion Health.

No parking problems!!

The nurse and doctor that I saw were friendly, accommodating. Fabulous service!

The staff are extremely polite and doctors caring
